**Subject: Research Papers on Law Reform and  
Review of the General Part**

Ms. McLellan:

Further to my letters of 27 October 1997 and 26 December 1997 (which have remained unanswered), I wish to mention that over the weekend, I have found on the Internet certain research papers that I had requested in those letters. Unfortunately, I did not find at the web site, Access to Justice Network, all of the documents that I had requested.

In summary, I would still like to receive, if possible, the following documents:

BOISVERT, Anne-Marie, *Comments on the white paper proposals concerning the liability of corporations*, [Ottawa] : Law Reform Division, Dept. of Justice Canada, 1994, 26, [5] p.; 28 cm.; and its French version: *Commentaires sur les propositions du livre blanc concernant la responsabilité des personnes morales*, [Ottawa] : Division de la réforme du droit, Ministère de la justice du Canada, 1994, 28, [4] p.; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09e;

DUMONT, Hélène, *La codification de moyens de défense d'ignorance de la loi et d'erreur de droit*, [Ottawa] : Division de la réforme du droit, Ministère de la justice du Canada, 1994, 26, 9 p.; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09i;

MEWETT, Alan W., *Proposals to amend the Criminal Code, June 28, 1993 : clause 9.*

s. 24.2, *conspiracy*, [Ottawa] : Law Reform Division, Dept. of Justice Canada, 1994, 8 p. ; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09d;

ROACH, Kent, *Duress and necessity in the white paper*, Law Reform Division, Dept. of Justice Canada, 1994, 18 p. ; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09j;

SAUVÉ, Ève-Stéphanie, *The Minister of Justice's proposal for the codification of the "defence" of entrapment : (section 39 of the proposal to amend the Criminal Code, general principles)*, [Ottawa] : Law Reform Division, Dept. of Justice Canada, 1994, 34 p. ; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09m;

STALKER, Anne M., *Fault element proposals in the white paper*, [Ottawa] : Law Reform Division, Dept. of Justice Canada, 1994, 22 p. ; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09a;

STUART, Don, 1943-, *White paper proposals on subjective and objective standards of fault and defences, mistake of fact and transferred intent*, [Ottawa] : Law Reform Division, Dept. of Justice Canada, 1994, 21 p. ; 28 cm.; **new information obtained**: it is possible that the Department of Justice Canada, Law Reform Division number for that paper is LRD #6386-100-09b;

I am very interested in knowing the Department's position on the status of the review of the *Proposals to amend the Criminal Code (general principles)*, June 28, 1993, and of the review of the General Part. Thank you.

Sincerely,
