The Honourable Anne McLellan, P.C., M.P.  
Minister of Justice and Attorney General  
Room 207  
House of Commons  
Ottawa K1A 0A6

**Subject: Research Papers on Law Reform**

Ms. McLellan:

Back in 1994, as part of the consultations process on the *Proposals to amend the Criminal Code (general principles)*, *The Minister of Justice Canada, June 28, 1993*, I had forwarded my comments to the Minister of Justice. On 25 April 1994, the Minister Allan Rock had informed me that consultations were continuing on this matter (copy of the letter attached).

It has recently come to my attention that several articles were written on the *Proposals* by the Law Reform Division, Department of Justice Canada. As it is matter of great interest to me, could it be possible to get a copy of these articles if they are available? I have attached a list of these articles and I hope that the list is complete.

Also, Mr. Rock stated in his letter that the consultations would help him to evaluate the proposals with a view of modifying them or improving them. Could you please inform me of the status of these proposals and the review of the General Part. Thank you.

Sincerely,
