Dear Mr Lareau:

Thank you for your letter to me of 13 July 2010 and your e-mail to Major Reilly of 28 June 2010, and for your continuing interest in the military justice system. In light of your legal background, I am sure you understand that the Judge Advocate General is not in a position to speak to the question posed in your letter. However, I understand that you have also been in communication with the office of the Minister of National Defence. Your enquiry has been forwarded to the Office of the Minister of National Defence for response.

Yours truly,
